Welcome to Pennoyer School Kindergarten! Please read this letter to inform yourself of the required medical papers for entrance to Kindergarten. **Pennoyer School has a first day exclusion for medical paperwork. To allow processing of medical documents, all medical forms must be received on or before August 29, 2022.** If these forms are not received before the first day of school, your child will be excluded from school until their forms are received.

Your child's health provider is aware of the state required immunizations for each compliance year (Kg, 2nd, and 6th grade.) For reference, feel free to review the following immunization requirements for Kindergarten students:

Immunization schedule is as follows:
