

# ART CLUB

## What is Art Club?

Art Club is a place for students to practice a variety of art skills, develop new art-making techniques, collaborate with others, and work on art projects. Students will have the opportunity to work with materials that are not typically used in the general education art classroom. **Come join our creative crew!!**

## Who?

This club is open to middle school students (6th-8th graders). If there is room for more students, Ms. Wood will open the club to 5th graders as well.

## When & Where?

Art Club meets once a week on Thursdays after school from 3:00pm-4:00pm in the Art Room (103). The first Art Club for the 2022-2023 school year will be October 19th and will continue to meet weekly through the remainder of the school year. Students will be given a code to join the Art Club Google Classroom page for week to week updates and reminders.
