

Summary of what it's all about – Pennoyer students will take the driver's seat and we will travel the world together! Students will share where they have traveled and where they would love to go! At each meeting we will go "sight seeing" together and all the destinations students put on their wish lists or destinations they have been to that they would like to show us around! Come join us and let's travel together!

Who can join - Kindergarten through 8th Grade
